DC | HEALTH
GOVERNMENT OF THE DISTRICT OF COLUMBIA

WE ARE WASHINGTON
GOVERNMENT OF THE DISTRICT OF COLUMBIA
DC MURIEL BOWSER, MAYOR

WHERE WE ARE TODAY

Current Values (data through 3/2/21)

Level of Community Spread	Daily case rate	Rate of transmission	Test positivity rate	New cases from quarantined contacts
	17.8 (Mar 2) <small>7-day avg. per 100,000 pop.</small>	0.96 (Feb 20) <small>Effective reproduction number (R(t))</small>	5.1% (Feb 28) <small>Percent positive from RT-PCR tests</small>	15.7% (Feb 28) <small>7-day average</small>
Health System Capacity	Percent hospital utilization	Percent COVID-19 patients	Mean test turnaround time	Diagnostic tests conducted
	84.2% (Mar 2) <small>of available beds without surge</small>	8.5% (Mar 2) <small>of daily hospital census, 7-day average</small>	1.5 (Mar 2) <small>(days) 7-day average</small>	6,105 (Feb 28) <small>7-day avg. per million pop.</small>
Public Health System Capacity	Positive cases with contact attempt	Close contacts with contact attempt		
	98.7% (Mar 1) <small>7-day avg. attempt within 1 day</small>	95.5% (Feb 28) <small>7-day avg. attempt within 2 days</small>		
Community Engagement	Positive cases interviewed	Positive cases who provide close contacts	Mean number close contacts provided	Exposure Notification Opt-in
	78.0% (Feb 28) <small>7-day avg. completed within 3 days</small>	44.2% (Feb 28) <small>7-day avg.</small>	1.2 (Feb 28) <small>7-day avg. mean per positive case</small>	673,643 (Mar 2) <small>cumulative # of smart phones opted-in to official exposure notification system</small>
	Correct mask-wearing	Percent full COVID-19 vaccine coverage		
	77.4% (Feb 18) <small>percent observed Updated every 4 weeks.</small>	4.2% (Feb 27) <small>cumulative Updated weekly.</small>		

Data Source: DC Health

The United States now has three safe and effective COVID-19 vaccines:

- Moderna (2-dose)
- Pfizer (2-dose)
- Janssen / Johnson & Johnson (1-dose)

Washingtonians are encouraged to get the first vaccine available to you.

All the available vaccines have been proven effective at preventing serious illness, hospitalization, and death from COVID-19.

VACCINATION APPOINTMENTS

4

This is the final week that we will use the current system to book appointments, and DC Health and the Office of the Chief Technology Officer (OCTO) have been working with Microsoft to ensure a better user experience.

On Thursday, March 4 at 9:00 a.m., 5,750 appointments opened to:

- DC residents who live in priority zip codes and are 65 and older
- DC residents who live in priority zip codes and are 18-64 with a qualifying medical condition

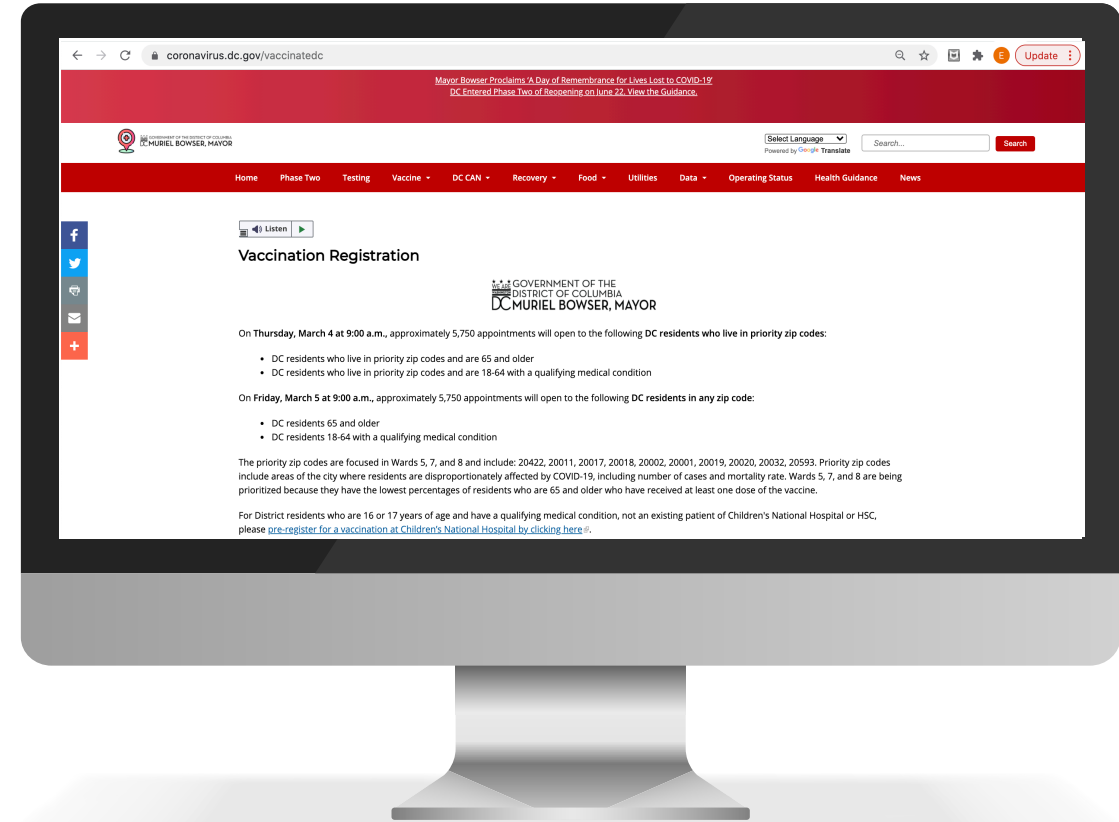

On Friday, March 5 at 9:00 a.m., 5,750 appointments will open to:

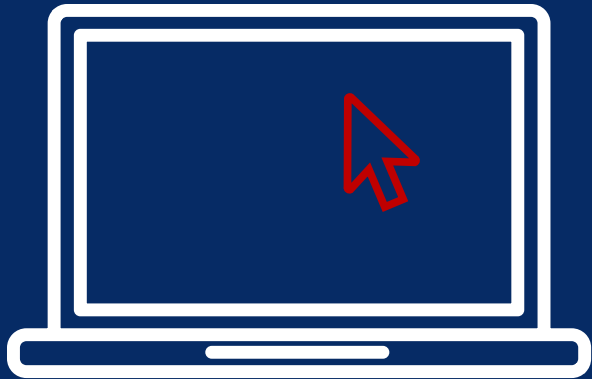

- DC residents 65 and older
- DC residents 18-64 with a qualifying medical condition

Improvements to vaccinate.dc.gov include:

- ✓ increased server availability for the portal
- ✓ the addition of a “waiting room” that will only allow 3,000 users to access the appointment questionnaire at a time
- ✓ to improve the user experience and increase accessibility, the CAPTCHA has been removed from the vaccinate.dc.gov questionnaire

Beginning next week, the District will begin using a pre-registration system for making vaccination appointments.

Under the new system, individuals will be able to provide their information to DC Health through a pre-registration website or by calling the District's call center.

As appointments are made available, individuals who have pre-registered will receive an email, phone call, and/or text message alerting them that they have an opportunity to make a vaccination appointment.

Equity will continue to be a top priority, and DC Health will continue to set aside appointments for residents living in priority zip codes.

COVID-19 Vaccination Appointment

To schedule an appointment, please fill in the required questionnaire so that we can gather information regarding your readiness for COVID-19 vaccination, and offer guidance and instruction to ensure your safety. You will need to provide the following details:

Demographic details

Such as race, ethnicity, gender, age

Medical history

Current/past ailments and allergy information

COVID-19 history

History of any COVID-19 infections, testing or vaccinations

Contact information

Your contact details

Take Questionnaire

octo
 office of the chief technology officer

1

This questionnaire is designed to gather information regarding your readiness for COVID-19 vaccination, and offer guidance and instruction to ensure your safety.

Reminder: Only residents living in select zip codes are able to schedule vaccine appointments at this time. If your zip code is not listed, please select "My zip code is not listed".

Are you a District Resident or Work in the District of Columbia? *

Do you work in one of the following settings? *

Are you required to report in to work in Person? *

If you selected any of the above, you must bring verification to your appointment (work ID badge, letter from your employer, copy of provider license, pay stub or other means of verification).

Medical Information

Have you had any severe reaction to a vaccine before?
 No Yes

Are you under isolation or quarantine for COVID-19 at this moment?
 No Yes

2

This questionnaire is designed to gather information regarding your readiness for COVID-19 vaccination, and offer guidance and instruction to ensure your safety.

Search for your address or enter it manually.

Please continue to wear a mask, wash your hands and practice social distancing. For more on preventing the spread of COVID-19, visit

DC Health is working with community partners to open or expand three vaccination sites that will serve as high-capacity sites where the Janssen/Johnson & Johnson one-dose vaccine will be administered.

- Walter E. Washington Convention Center with George Washington Medical Faculty Associates
- Providence Health System
- Entertainment and Sports Arena with Georgetown University

These sites are not walk-up sites, and appointments must be booked through vaccinate.dc.gov and the call center.

District residents who are 16- or 17-years-old and have a qualifying medical condition (and are not an existing patient of Children's National Hospital or HSC) can pre-register for a vaccination at Children's National Hospital.

Children's National.
Hospital

The link to the Children's National registration page can be found on coronavirus.dc.gov/vaccine

All **teachers and staff** who work for a school or child care facility in DC are **eligible for the vaccine** and are encouraged to use the District's pre-registration system opening next week.

UPCOMING FAITH IN THE VACCINE CLINICS:

Thursday, March 4 and Saturday, March 6:

New Samaritan Baptist Church (Ward 5)

Monday, March 8 and Tuesday, March 9:

Allen Chapel AME Church (Ward 8)

Friday, March 12 and Saturday, March 13:

The Temple of Praise (Ward 8)

To date, **more than 550 residents** have been vaccinated during the five clinics that have occurred at the Pennsylvania Ave Baptist Church (Ward 7) and the New Samaritan Baptist Church (Ward 5).

510 Senior Vaccine Buddy appointments made

Senior Vaccine Buddies will continue to canvass **Wards 7 & 8** for the next several weeks.

1,011

people have been vaccinated at 11 out of the 12 DC Housing Authority sites

450

people have been fully vaccinated

97%

2-dose completion rate

55%

of sites in priority zip codes

91%

of participants are Black / African American

This week, DC Health updated several guidance documents with new guidance for individuals who are fully vaccinated.

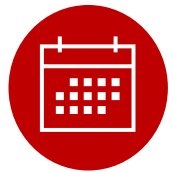

- Guidance for Travel
- First Steps for Non-Healthcare Employers when Employees Test Positive for COVID-19
- Guidance for Close Contacts of a Person Confirmed to have COVID-19
- Guidance for Quarantine after COVID-19 Exposure

Updated guidance documents on coronavirus.dc.gov/phasetwo

Travel-related quarantine and testing requirements may be waived for a person who:

is **fully vaccinated** against COVID-19; **AND**

is **within 90 days** of the last required dose; **AND**

does **not have any symptoms** consistent with COVID-19.

The **tentative** date to resume high school sports is March 15, 2021. Updated guidance will be published by the DC Student Athletic Association and DC Health.

The guidance will include protocols to resume sports in phases:

IF YOU
SEE SOMETHING
SAY SOMETHING

If you see or hear things that appear out of the ordinary, contact police.

To report immediate threats or emergencies, **call 911**

To report suspicious activity or behavior, call: **(202) 727-9099**

Report by using MPD's iWATCH website: **iwatchdc.org**

Report by using MPD's Text Tip Line at: **50411**
