Pandemic Unemployment Assistance Payments Impacted by Maintenance Corrected; Payments Amended and Processed

CARSON CITY, NV - The Nevada Department of Employment, Training and Rehabilitation (DETR) has announced that claimant accounts impacted by the Sept. 12 Pandemic Unemployment Assistance (PUA) system maintenance have been resolved.

Claim payments impacted by this past weekend's maintenance have been reviewed, corrected and processed by the EmployNV system as of today. Claimants who saw a reduction in their weekly benefit payment total should be caught up today with additional payments noted on their account. Individuals can log on through EmployNV.gov to view payments and check the status of their account.

The Department of Employment, Training & Rehabilitation (DETR) is the state's lead workforce development agency. It consists of divisions that offer workforce related services, job placement and training, services for people with disabilities, investigation of claims of discrimination, unemployment insurance benefits, labor market data and more. Many of these services are provided through Nevada JobConnect career centers and in cooperation with its community partners.
