NETWORK ADEQUACY ADVISORY COUNCIL**

**APPLICATIONS TO BE ACCEPTED UNTIL FILLED**

Nevada Revised Statute (“NRS”) 687B.490 places on the Commissioner of Insurance (“Commissioner”) the responsibility of determining each year the adequacy of health insurance carriers’ provider networks offered in small employer group and individual health benefit plans. Regulations established the Network Adequacy Advisory Council (“Council”) and its charge, as well as current network adequacy standards. NAC 687B.750–687B.784. The nine-member Council is tasked with making a recommendation to the Commissioner each year as to what the network adequacy requirements should be for the relevant plan year. The Commissioner appoints the Council members to ensure a fair representation of carriers, providers of health care, and consumers or consumer groups. Council members serve at the pleasure of the Commissioner and without compensation. In performing their duties on the Council, members are not considered employees of the State. The Council must meet at least three times each year. The first meeting of the Council must take place no later than June 15<sup>th</sup> of each year, and the Council must submit its final recommendation to the Commissioner no later than September 15<sup>th</sup> of each year. Each meeting of the Council is a public meeting. The first meeting for plan year 2023 will be held in February of 2021.

The Commissioner is currently accepting applications for individuals to represent **consumers** to fill a recent vacancy on the Council. If you wish to be considered by the Commissioner for appointment to the Council, please submit your application with the information listed below to the Commissioner.
